## Thursday, April 27th, 2025

- „How to get the best out of a festival?“  
We want to talk with you about how to prepare for such a festival, how to find the events that truly benefit you, and to engage with the right people. And we want to find out what a good festival for film talent should look like. This is where film and festival makers as well as film enthusiasts come together to talk.

## Friday, April 28th, 2025

- “Filmmakers welcome” – Networking with the FiSH filmmakers
- „Logline on the Run“ – Presentation of the ‘logline unit’ format as a tool for script development
- German competition program „JUNGER FILM“
- European competition program „OFFshorts – Young Baltic Cinema“

## Saturday, April 29th, 2025
